

Watrous Heights Neighborhood Association

Neighbors Meeting

AGENDA

Neighbors Meeting Monday, September 16, 2024, at 6:00 pm. The meeting is in the South Union Elementary School Library (room 201).

We are bringing in two interesting and important Featured Speakers in an effort to increase the neighbor's attendance at these meetings:

Both are interesting Speakers, and both will be dealing with issues that should be important to all of us:

First Speaker will be the Polk County Auditor, Jamie Fitzgerald: speaking about current election issues and answering any questions you may have. We will also have absentee ballots for anyone that may want to complete them at this meeting.

The Second Featured Speaker will be the Administrator for the Des Moines Improve our Neighborhoods (ION) program, Dan Grauerholz. He will be explaining how this program works. This is an excellent program to help "Improve our Neighborhoods" which benefits us all. Several of you will have received a first-class letter from us letting you know that a recent City-wide inspection indicated your home likely would qualify for this program, if you qualified for the program. Dan is the man that can answer your questions about this program. This program could be worth Thousands of dollars of repair help for your home that some or all of which might not need to be repaid. This program is worth your time to investigate.

As a side feature, We have a couple of the \$30 gift cards that were for drawings at the WHNA Hosted National Night Out Event earlier last month. We will have a drawing of neighbors attending this meeting, and one neighbor will win a \$30.00 gift card just for attending this meeting.

For any Neighbor attending our **WHNA Meeting for the first time** at South Union Elementary School, you will need to enter the building from the East Parking Lot.

You must enter that lot from East Leach Ave at the east end of the School Building. You will see a couple of our Watrous Heights Yard Signs promoting the meeting, which will be placed on both sides of the driveway entering from East Leach Avenue into the East Parking Lot.

Drive toward the south side of the lot and you will see a double-door entrance into the school. That is the entrance you need to use. If the door is locked when you get there, you will see a buzzer just to the right side of the doors. Push the buzzer and someone will come to let you inside.

We meet in the Library (room 201). The Library is directly ahead (west) down the hallway and on your right side (north side). The meeting starts at 6:00 pm.

There is no cost to attend these WHNA Neighbors Meetings.

We hope to see you at this meeting.

Thank you for your participation,

Dave Johnston, President
Watrous Heights Neighborhood Association
